DECLARATION CUM UNDERTAKING FOR TEXTBOOKS

FOR GRADES VI TO XII AS PER CBSE BYLAWS

This is to certify that Star International School, Ranchi follows CBSE guidelines for prescribing the textbooks and NCERT textbooks are used for grades VI to XII. Due to insufficient quantity of NCERT textbooks available in the market or online portals, the school may prescribe some textbooks of private publishers.

The textbooks from private publishers are selected with utmost care by the Senior Management members of the school along with experienced faculty members of the concerned classes to ensure that age-appropriate and quality content is shared and students get the best learning experience through these books. The prescribed books have been thoroughly vetted for objectionable content that might hurt the feelings of any class, community, gender or any religious group in society.
